### **PB TRIBUNE Model invented NRIpress**

**100 years ago, If Dyal Singh Majithia** can invent/or innovate 3 companies like TRIBUNE PUNJAB, Punjab National Bank and Dayal Singh college (Media/Banking/Education, like jews).... **Why we cannot establish 100% true NRI news Media, so our NRI VOICE can be heard worldwide:**

**Let us understand how it works.** In old days, when new entities or Businesses were being established as a corporation, friends or relatives invested some money to buy shares in the company for moral support. They get some benefits or loss in papers. Some qualified shareholders become officers to run the corporation.

- Now Starting 2000, new technology allows each of us to become a member of **.com**, how much we input as a member and share our output. Dot com (.COM) unite us to work as a team without liabilities.

**Let we more clarify in our case:** NRIpress is a corporation operating server as media company .com in the air, 20 website '.com' have also been in the air for the past 25 years.

**Dot (.com) is the only in the world which is run by servers and servers' cost will be borne by some people who own the corporation. Our unique idea, unique technology and 25 years in business allow us to recognize honest entrepreneurs who can understand new concepts.**

**Media is a weapon: NRIpress, 25 years in NRI services, can serve as a weapon or serve as a powerful tool for good, non-profit NRIpress.club organizations to raise awareness, mobilize support, and inspire action for their causes.**

- **IT entrepreneurs, SERVERs, Lawyers and NRIpress Professionals work behind the whole project to run 24x7 News Media without any hassle for all of us.**
