Respected Sir

Our lockdown is extended to another four weeks.

As you very well know , we can not hold any events and it is very difficult to raise money for the hospital.

It would help so much if you could transfer at least 5 lac from the plot money to the hospital ac.

Can you do this much.

Respected madam

Yes although it is not a complete lockdown ,
Imposed restrictions are clearly defined by the government .

So as per latest order of the Punjab government, construction team is allowed to work.

Buses shall be there for public transportation so Labour can reach at the place.

However plot buying shall not be possible.

We shall have to wait for the new orders because public servants shall not be working in the offices.

However I was highlighting the same thing since long before you.
The same thing has happened now..

We shall have to wait for the new
