Dear *Vickram,*

Hounslow Council Election 2006
Chiswick Gunnersbury Ward

Congratulations on being elected Councillor for Chiswick Gunnersbury. Very well deserved. I am extremely grateful for your considerable time and effort in helping me in my first election as Ward Chair.

Your enthusiasm and amount of time and effort campaigning paid off. You managed to immerse yourself into Chiswick life from the moment you were selected and this has been demonstrated as being highly effective with the polling result.

I do hope you can relax from campaigning and reflect on a tremendous result not only for yourself but also for Jo and Ron making it a clean sweep in CG Ward.

With a high turnout our wide margin of victory makes the outcome even more impressive.

Thank you and well done.

With kind regards.

Yours,
David
